

## **Khiron Life Sciences Corp.**

**Symbol:** TSX.V: KHRN

**Market Cap:** 76.9M

**Sector:** Cannabis

**Purpose:** Raise Awareness / Open Market Buying

Khiron is a vertically integrated medical cannabis company with core operations in Latin America, and operational activity in Europe. Khiron is the leading medical cannabis provider in Colombia, leveraging wholly owned medical clinics and proprietary telemedicine platforms. The Company combines a patient-oriented approach, physician education programs, scientific expertise, product innovation, and agricultural infrastructure to drive prescriptions and brand loyalty. Khiron has filled medical cannabis prescriptions in Colombia, Peru and the UK, and is positioned to commence sales of medical cannabis in Germany and Brazil in early 2021.

### **Investor Bullet Points**

- Health centres and satellite clinics as a cornerstone to achieve 1M patients in 2024 across Latam and Europe
- 50% CMGR in medical cannabis written prescriptions
- Sustainable strategy focus on patients service

### **Alvaro Torres, CEO**

Mr. Torres has over 15 years of experience in the Latin American market, including infrastructure projects and project finance, management strategy, team development, and mergers and acquisitions. Mr. Torres was previously head of business development for SNC-Lavalin, Colombia, and was instrumental in growing the company from two people to more than 2,000 people in Colombia over the course of three years. Mr. Torres has overseen the development of projects totaling over \$1 billion in capital expenditure, including the development and construction of Colombia's tallest skyscraper. Mr. Torres holds a Bachelor of Engineering and a Masters of Engineering from Rensselaer Polytechnic Institute and an MBA from Georgetown University.
